

By Question

Question 3 - Value Driven Process

Table 1

- Develop/create local support group for 'hoarders'
- Expand hoarding forum/invite new members
- Champion our service
- Break barriers by building trust

Table 2

- Getting rid of bread making machine and duplicates
- Organise content so building repairs can start

Table 3

- Speak to safeguarding team
- I will be finding out more about the planning process and seeing if my future private paying customers (I'm self employed) will agree to this, instead of expecting practical help from Day 1
- Find out if there's any existing self-help support groups for people who hoard in Bristol

Table 4

- Like hoarding UK Facebook page

Table 6

- Speak to safeguarding team
- Make contact with MAWW so that referrals for HFSC's go to the right person when linked to hoarding
- Look into setting up Support Forums

Table 8

- One thing we're going to change
- Agree an action for hoarding awareness week
- Train more staff and raise awareness
- Relate lived experience
- Practical tips
- Start a support group (Let it go-not get rid of)

Table 12

- L.A guidance - SS
- Creative spending
- Save money by spending it wisely
- Funding avenues
- Collaborative applications
- Everyone inputs
- Everyone gains
